

HELPING CHURCHES BE GOOD STEWARDS OF THEIR RESOURCES

SMART CHANGE STARTS HERE.

Canon Solutions America, endorsed by LifeWay as your source for multifunction printers and copiers, offers churches and Christian schools a convenient and cost-effective way to acquire printing and document management solutions through the OneSource purchasing program. From desktop printing and convenience copying to booklets, full color printing, and high speed production, we offer solutions to meet the needs of churches of every size.

AS A LIFEWAY CUSTOMER, YOU HAVE FULL ACCESS TO THE BENEFITS AND SIGNIFICANT SAVINGS OF BUYING OR LEASING THROUGH THE ONESOURCE PROGRAM

Benefits include:

- Simplified purchase process.
- Access to a nationally negotiated and consistent pricing structure.
- Up to 68% off the MSRP on an extensive line of high-quality color and black-and-white multifunction printers and copiers.
- Significant discounts on equipment maintenance and supply agreements.
- Local and national support.
- Nationwide direct sales and service focused on building long-term relationships.
- Knowledgeable, experienced sales consultants.

Canon Solutions America, a national provider of printing solutions for churches and Christian schools, can help you create, manage, and reduce costs on the documents you use daily to keep church members informed and aware.

Purchasing multifunction printers through the OneSource purchasing program can help save you time, money, and space, with available features that allow you to print, copy, fax, scan, and even print from your mobile smartphone or tablet, all with a single device. In addition, our workflow software will allow you to distribute files electronically, as well as monitor and track device usage to help control costs.

Be a good steward of your church's funds and reduce costs by purchasing or leasing Canon products through the OneSource program. Canon products can help your church:

- Reduce total cost of ownership.
- Improve efficiency and productivity.
- Create stunning full-color booklets, flyers, and programs.
- Streamline processes.
- Print from mobile devices.
- Protect sensitive information.
- Monitor device usage and improve control.

OUR MISSION

Canon Solutions America's primary mission is to improve workflow efficiency and document processes in organizations of all sizes and types, while helping them reduce waste. This is accomplished through the strategic implementation of services, technology, and support options that are unique to each customer's operational requirements. By cultivating a staff of expert representatives, technicians, analysts, engineers, and an administration that is dedicated to understanding the needs of our customers, we deliver on our mission with determination, professionalism, and the utmost integrity. As a subsidiary of Canon U.S.A., one of the most respected technology brands in the world, we uphold a commitment to the environment, the community, and the world at large.

Convenient Printing from Smartphones and Tablets

Mobile printing from Canon Solutions America gives your staff the freedom to print easily from laptops, smartphones, and tablets to any device on your network. Our mobile solutions incorporate security features like device authentication through proximity cards, PIN codes, or user name and password for secure release, helping to keep your confidential information safe from prying eyes. Canon Solutions America offers a diverse portfolio of mobile solutions to fit just about every environment.

Privacy and Protection

Canon Solutions America offers a wide range of cost effective technologies to address privacy and confidentiality concerns. Canon products provide multilayered security features that help protect sensitive information through standard functions such as:

- Universal Login Manager (ULM) to control individual users' access and usage.
- Secure Print to control printing of confidential information.
- Secure Watermark to flag unauthorized copies.
- Hard Drive (HDD) Password Lock, HDD Data Erase and HDD Data Encryption help protect information even after hard drive removal.

Responsive Local Support with National Reach

With offices located across the United States, Canon Solutions America is there when you need us. Acquiring your printer from Canon Solutions America offers you the best of both worlds: local sales and service representatives who know your community, backed with the resources of a global company that is committed to long-term investment in technological innovation—and your satisfaction.

Initiatives for a Greener America

Canon Solutions America views our environmental and community responsibility as an integral part of our management structure, product design, manufacturing, and corporate culture. We proactively create strategies and follow specific practices to help improve the health of our planet.

Canon has several initiatives designed to reduce the environmental impact of our operations and the products we produce, from clean manufacturing to eliminating hazardous substances from our work environments and products, to home and small office recycling programs.

YOUR LOCAL CANON SOLUTIONS AMERICA REPRESENTATIVE WILL BE HAPPY TO TAILOR A SOLUTION THAT MEETS YOUR PRECISE NEEDS.

ABOUT LIFEWAY AND THE ONESOURCE PROGRAM

LifeWay Christian Resources is one of the world's largest providers of Christian products and services, including Bibles, Bible studies, research, church music and supplies, and digital services. With a goal of improved stewardship, LifeWay OneSource has developed relationships with companies that offer you potential savings on a number of products and services. These endorsed provider relationships leverage the collective buying power of SBC entities and free up operational dollars to further fund ministry efforts. Through its publishing division, B&H Publishing Group, LifeWay publishes books and has produced the widely-respected CSB Bible translation. LifeWay is a nonprofit organization that reinvests income above operating expenses in mission work and other ministries around the world.
